COAL COUNTRY & GLENDEN WAYS

Coal Country Way, is an optional northern extension to [Australia's Country Way](#).

It provides alternate sealed byways, to Rockhampton, Mackay, Whitsunday, Bowen or west via Capricorn Highway, to the Great Inland Highway north, to Townsville, Cairns, Cooktown & if adventurous, Cape York, the last frontier.

Coal Country Way is a new scenic & educational touring route, contained within a modern IT device. Very compact, wealth of information organised town by town thru website links & YouTube videos for that "I could be there" experience.

Experience, Glenden Way, (page 2) from Dingo, Nebo, [Lake Elphinstone](#), to Collinsville as an alternate route to Bowen Region
