BIRDSVILLE TRACK – CHANNEL COUNTRY BYWAY

From Port Augusta, S.A. north to Burketown Qld. will take the traveller through the real “Outback” of Australia. Not all sealed roads, so be prepared. Be prepared for out of this world scenery, ancient landscapes, deserts, bush camps, fishing, outback events, places of interest, National Parks, magnificent sunrises & sunsets. etc.

A wealth of information, town by town & regions, via specific websites & brilliant video links, so compact & contained within your modern IT device.

Great for organisation, preparation, correctly equipped, for a safe, exciting, memorable adventure.

If you have received this as a handout “brochure” and you wish to access online information, then into the search engine of your IT device,

enter tiny.cc/GoSeeOz Scroll down to INDEX then select

“Popular Touring Routes (including itinerary)”.

Click, then select the item of your choice
